

SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Reliable® was recently informed of price increases from the following vendors:

Manufacturer	Products	Average % Increase	Effective Date
ASC Engineered Solutions	Anvil Cast Iron Fittings & Flanges	8-9%	Jan 30, 2023
ASC Engineered Solutions	Anvil Malleable Iron Fittings & Unions	8-9%	Jan 30, 2023
NIBCO®	Fire Protection Valves	4-5%	Jan 30, 2023

Because of this, Reliable® will be adjusting these list prices for all customers on January 30, 2023. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to January 23, 2023 for shipment no later than January 27, 2023. We will not be able to hold pricing or ship product at the old price after close of business on January 27, 2023.

Our amended pricing will be posted on the Reliable® website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable® want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Sr. Vice President, System Components

Reliable Automatic Sprinkler Co., Inc.
Manufacturer and Distributor of Fire Protection Equipment
