

## SYSTEM COMPONENT PRICING UPDATE

Dear Customer:

Reliable was recently informed of a price increase from the following vendor:

<b>Manufacturer</b>	<b>Products</b>	<b>Average % Increase</b>	<b>Effective Date</b>
ITW Buildex	Sammy	4%-8%	05/04/2020

Because of this, Reliable will be adjusting these list prices for all our customers on May 4, 2020. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to April 27, 2020 for shipment no later than May 1, 2020. We will not be able to hold pricing or ship product at the old price after May 1, 2020.

Our amended pricing will be posted on the Reliable website at [www.reliablesprinkler.com](http://www.reliablesprinkler.com). Please download it from our site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Component product line.

Sincerely,

Rex Schwendiman  
Vice President, System Components
