

SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Reliable® was recently informed of price increases from the following vendors:

Manufacturer	Products	Average % Increase	Effective Date
NIBCO®	Fire Protection Valves	6% to 7%	August 19, 2024
Milwaukee Valve	Valve Products	6% to 7%	August 19, 2024

Because of this, Reliable will be adjusting these list prices for all customers on August 19, 2024. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to August 12, 2024, for shipment no later than August 16, 2024. We will not be able to hold pricing or ship product at the old price after close of business on August 16, 2024.

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Sr. Vice President, System Components
