Dear Customer:

Reliable® was recently informed of price increases from the following vendors:

<b>Manufacturer</b>	<b>Products</b>	<b>Average % Increase</b>	<b>Effective Date</b>

Because of this, Reliable will be adjusting these list prices for all customers on February 3, 2025. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to January 27, 2025 for shipment no later than January 31, 2025. We will not be able to hold pricing or ship product at the old price after close of business on January 31, 2025.

Our amended pricing will be posted on the Reliable website at [www.reliablesprinkler.com](http://www.reliablesprinkler.com). Please download it from our site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,
