

## SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Reliable® was recently informed of price increases from the following vendors based on cost increases derived from tariffs and increasing material costs:

<u>Manufacturer</u>	<u>Products</u>	<u>Average % Increase</u>	<u>Effective Date</u>
PHD Manufacturing, Inc.	Pipe Hangers and Supports	1% - 12%	14 Apr, 2025
Safe Signal®	Sprinkler Monitoring Devices	2% - 4%	14 Apr, 2025
Potter Electric Signal Co.	Sprinkler Monitoring Devices	2% - 4%	14 Apr, 2025

Because of this, Reliable will be adjusting these list prices for all customers on 14 April, 2025. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to 7 April, 2025 for shipment no later than 11 April, 2025. We will not be able to hold pricing or ship product at the old price after close of business on 11 April, 2025. Reliable also reserves the right to limit order quantities based on historical purchase patterns.

Our amended pricing will be posted on the Reliable® website at [www.reliablesprinkler.com](http://www.reliablesprinkler.com). Please download it from our site.

All of us at Reliable want to thank you for your business and continued support of Reliable’s System Components product lines.

Sincerely,

Rex Schwendiman  
Sr. Vice President, System Components
