

The Reliable Automatic Sprinkler Co. Inc.
Manufacturer & Global Distributor of
Fire Protection Products

February 7, 2025

Dear Valued Customer,

Due to persistent increases in raw material, labor, and supply chain related costs, we must implement a price increase on Reliable manufactured products effective March 4, 2025. This is the first such increase since July of 2022. These necessary increases will average between 6-8% and will affect our Sprinklers, Valves, Replacement Parts, and Special Hazards/Special Systems.

To receive current pricing, orders must be placed prior to the close of business on Monday, March 3, 2025, and shipped no later than the close of business on Friday, March 28. All orders placed at current pricing will be accepted subject to product availability. Orders received after Monday, March 3, 2025, will only be accepted at the new pricing levels.

We will make the new list pricing available in advance on our website www.reliablesprinkler.com.

We thank you for your understanding and appreciate your continued support for The Reliable Automatic Sprinkler Co. Inc. We will continue to provide you with superior quality, technology, and service while striving for cost efficiencies, especially during these challenging economic times.

Sincerely,

John M. McNamara

John M. McNamara, President
